

QuickBooks and Quicken Resources for Website

ATTENTION QUICKBOOKS, QUICKEN, AND MINT USERS

Guaranty Bank is migrating to a new online and mobile banking system on July 25, 2022. This upgrade will require you to make changes to your QuickBooks or Quicken software. We need you to take action to ensure a smooth transition.

Conversion instructions are available below with two important **ACTION DATES**.

1st Action Date: [Thursday, July 21](#)

A data file backup and a final transaction download should be completed by this date. Please make sure to complete the final download **before** this date since your transaction history may not be available after the conversion.

2nd Action Date: [Monday, July 25](#)

On this date you will complete the deactivate/reactivate of your online banking connection to ensure that you get your current QuickBooks or Quicken accounts set up with the new connection.

Intuit aggregation services may be interrupted up to 3 – 5 business days. Users are encouraged to download a QFX/QBO file during the downtime. The following services may not work:

- QuickBooks Online Express Web Connect
- Quicken Window/Mac Express Web Connect
- Mint

Carefully review your downloaded transactions after completing the migration to ensure no transactions were duplicated or missed on the register.
